ABOUT THIS VESSEL

Introducing the 2007 Chris-Craft Corsair 36, a stunning cruiser that combines elegance with performance. With an overall length of 38.17 feet, this vessel is designed for both comfort and speed. The modified Vee hull, crafted from durable fiberglass, ensures a smooth ride on the water. Powered by twin MerCruiser 496 engines, each delivering an impressive 425 horsepower, this boat offers exhilarating cruising speeds of up to 40 knots and a maximum hull speed of 55 knots. The inboard/outboard configuration with stern drives enhances maneuverability, making it a joy to navigate. Accommodations include two well-appointed cabins and a head, providing ample space for relaxation. The electric windlass adds convenience for anchoring, ensuring you can enjoy your time on the water effortlessly. This used model exemplifies the perfect blend of style and functionality, making it an ideal choice for any boating enthusiast.
