ABOUT THIS VESSEL

Introducing the stunning 2010 Chris-Craft Corsair 28, a remarkable cruiser that combines elegance with performance. This 28-foot vessel features a sleek fiberglass hull with a modified Vee shape, ensuring a smooth ride through the water. Powered by twin Volvo Penta 8.1 GI engines, each delivering an impressive 375 horsepower, it offers exhilarating cruising speeds of up to 27 mph and a maximum hull speed of 60 mph, making it perfect for thrilling adventures on the open sea. With a range of 220 miles, this boat is designed for extended outings, allowing you to explore far and wide. The thoughtful design includes stainless steel 6-blade propellers for enhanced efficiency and performance. The Corsair 28 is not just about speed; it embodies the spirit of luxury and craftsmanship that Chris-Craft is renowned for, making it an ideal choice for those who appreciate both style and functionality on the water.
