CLASS Motor Yachts	TYPE Power	LOCATION Miami, FL, US

ABOUT THIS VESSEL

This 64 Azimut 2014 is more than 2000 HP of power and the light weight of the carbon fibre outline a design that focuses on the comfort and safety of the owner and his entourage. The lines of The deckhouse exude elegance and harmony with its stylish dynamic windows further enhanced by the "fin" effect emerging at the highest point of the saloon. The mirrored glass panels on the roll-bar and the back-lit logo on the flybridge are fine examples of innovative styling.

Financing Available. World Wide Delivery Available.

Additional Information

- Flybridge is 21 square metres, fully-equipped, with the pilot station positioned on the port side to maximise liveability.
- The stern area of the Fly can be customised: a sunbathing area or tender storage with a 250 kg capacity lifting crane.
- Exterior cockpit and saloon: two distinct spaces that become one large light-filled space thanks to the three sliding doors in curved glass.
- The pilot station is ergonomic thanks to the adjustable seat and steering wheel. It is equipped with two 15.4” navigation displays, and full engine control instrumentation.
- The pilot station is electronically operated and becomes part of the 8-person dinette with the push of a button.

- Function in the name of socialising: a large kitchen opens onto the dinette area. The kitchen is fully equipped with a 4-hob glass ceramic cook top, 130-litre refrigerator, separate 56-litre freezer, combination oven, and ventilation hood.
- The bathroom in the VIP cabin has a separate walk-in shower and full facilities, just like the Boatowner bathroom.
- The stair to the sleeping area is located immediately below the windshield and includes extra storage space for an additional refrigerator or washer dryer
- 3 CABINS
- 3 HEADS
