ABOUT THIS VESSEL

PRICE REDUCED TO $169,900 / LOW HOURS (ABOUT 180) / CLEAN, EXCELLENT CONDITION / AXIUS JOY-STICK DOCKING / HARDTOP WITH FULL ENCLOSURE / GENERATOR & A/C / FLIR

Now priced at $169,900, this clean, low-hour 2018 Monterey 335 Sport Yacht is one of the lowest-hour, best-equipped 2018 335s on the market. With only about 180 hours on her twin engines, she has been well maintained and shows in excellent condition.

Not every 335 is equipped like this one. She has Axius joystick docking, a fiberglass hardtop with full enclosure, a Westerbeke 7.5 kW generator, Dometic air & heat and a FLIR thermal camera. She is open to co-brokers, so bring your buyer.

TWIN MERCRUISER 6.2L MPI 300 HP / BRAVO III SS PROPS / DTS / AXIUS JOYSTICK / WESTERBEKE 7.5 KW GENERATOR / AIR & HEAT / FLIR THERMAL CAMERA / UNDERWATER LIGHTS / WINDLASS / HARDTOP WITH FULL ENCLOSURE / RECLINING BOW SUNPADS / SEADEK FLOORING / COCKPIT SEATING & TABLE / COCKPIT COVER

Axius joystick docking with Digital Throttle & Shift (DTS) lets you slide sideways into a slip, pivot in place and dock with one hand. Twin MerCruiser 6.2L MPI 300 HP engines with Bravo III stainless props deliver strong acceleration and a comfortable cruise of about 24–28 knots, depending on load and conditions.

The cockpit is built for entertaining, with wraparound seating, a cockpit table, a wet bar with sink and refrigerator, an electric grill, SeaDek flooring, reclining bow sunpads and a hot/cold transom shower. A transom walk-through leads to the swim platform, underwater lights set the scene after dark, and the fiberglass hardtop with full enclosure extends your season. A Fusion stereo has remotes at the helm and aft.

Below deck you'll find a forward berth and a convertible mid-cabin lounge, rich wood finishes and ample storage. The galley has an Isotherm refrigerator, Kenyon two-burner electric stove, microwave and hot water, and the enclosed head has a Vacu-Flush toilet and shower. Three flat-screen TVs round out the cabin. Dometic air & heat and a Westerbeke 7.5 kW generator keep you comfortable at the dock or on the hook.

Also aboard: FLIR thermal camera, ACR remote-control searchlight, windlass with helm and foot switches, GPS/chart-plotter, VHF and digital engine displays.

Key Features

- Low hours: about 180
- Clean, well maintained, excellent condition
