Manufacturer Provided Description

The Aquila 54 Power Catamaran embodies the reliable features and construction methods of the hundreds of Aquilas cruising the waters of the world. This model also enhances on-board luxuries with full size refrigeration and layouts

that include 3, 4, and 5 cabin options as well as skipper's quarters and “galley-down” layouts.
Owners will delight in panoramic views that fill the master cabin with natural light through large hull side windows, adding to the spacious feeling of the full-beam forward master cabin. Engineered with an open flybridge and solid glass front windscreen, or a completely enclosed and climate controlled flybridge, the Aquila 54 features the versatility to appeal to a global audience of boating enthusiasts.
